The Department of Chemistry and Chemical Engineering at the University of New Haven is accepting applications for a full-time non-tenure track lecturer to begin in the Fall of 2016. Applicants are preferred to have a Ph.D. in Chemistry and have experience teaching undergraduate students. Primary responsibilities of the new lecturer will include teaching first and second-year chemistry lecture and laboratory courses for majors and non-majors. They may also teach courses in their discipline to meet department needs. The new lecturer may also coordinate one or more laboratory courses. Review of applications will begin immediately and will continue until the position is filled.

About the University: The University of New Haven is a private, top-tier comprehensive institution recognized as a national leader in experiential education. Founded in 1920 on the campus of Yale University in cooperation with Northeastern University, UNH moved to its current West Haven campus in 1960. The University provides its students with a unique combination of a solid liberal arts education and real-world, hands-on career and research opportunities. UNH enrolls approximately 6,400, including nearly 1,800 graduate students and more than 4,600 undergraduates – the majority of whom reside in University housing. Through its College of Arts and Sciences, College of Business, Henry C. Lee College of Criminal Justice and Forensic Sciences, Tagliatela College of Engineering, and University College, UNH offers 75 undergraduate and graduate degree programs. UNH students have access to more than 50 study abroad programs worldwide and its student-athletes compete in 17 varsity sports in the NCAA Division II’s highly competitive Northeast-10 Athletic Conference.

Application Process: All information on candidates will be kept confidential. Review of applications will start immediately and will continue until the position is filled. Qualified candidates should submit a cover letter describing their experiences relevant to the position, curriculum vitae, statement of teaching philosophy and contact information for at least three professional references to:
